¹ All deposits are initially invested in the special daily interest fund pending their investment on the next issue date. The sum accumulated on this date, called the initial date, constitutes the initial deposit and is invested in **Guarantee Advantage** if the minimum deposit is met. The maturity date of a pre-authorized debit agreement (PAD) depends on the initial date and term.

² Eligible for LIFs only under Quebec law.

³ No periodic payments for a RRIF or a LIF. Your representative can show you how to generate RRIF income by allocating funds between **Guarantee Advantage** and a redeemable term investment.

⁴ This is for your information only and does not constitute a legal opinion. The exemption from seizure rules can differ by province and can be very complex. Contracts are subject to seizure if it can be proven that the plan was set up to avoid paying off a debt or if the owner goes bankrupt within one year of designating a beneficiary. We recommend that you contact a lawyer of notary to review your specific situation.

The information contained herein is subject to change without notice. Desjardins Insurance reserves the right to suspend deposits in **Guarantee Advantage** for the April 2024 campaign or to postpone the initial date.
