Payor's authorization

For a contract with the Additional Deposit Option (ADO)

I authorize Desjardins Insurance and my financial institution to withdraw the amount indicated in **section D** from my account at the requested frequency. I further understand that the amount will be withdrawn on the day indicated in this section or based on what is set out in the **When the amount will be withdrawn** paragraph. Sometimes the withdrawal amount will be fixed and other times it will be variable. It's fixed when it corresponds to the premium and deposit amount. It could be lower in the following 2 situations:

- if Desjardins Insurance must refuse a deposit or limit its amount to maintain the contract's tax-exempt status; or
- if Desjardins Insurance must reduce the amount of the permitted annual deposit following non-compliance with the administrative rules related to that deposit.

However, if a deposit must be refused or its amount limited due to tax rules related to the contract's tax exemption, Desjardins Insurance can subsequently start withdrawing a higher amount again (when those tax rules allow it) up to a maximum of the premium and deposit amount.

For any other insurance contract

I authorize Desjardins Insurance and my financial institution to withdraw the fixed amount indicated in **section D** from my account at the requested frequency. I further understand that the amount will be withdrawn on the day indicated in this section or based on what is set out in the **When the amount will be withdrawn** paragraph.

For any PAD agreement supporting a one-time pre-authorized debit

This PAD agreement applies to **section E – One-time payment**. It will no longer be valid once the amount has been withdrawn. Any subsequent one-time pre-authorized debits will require a new PAD agreement.

Payor’s authorization

I authorize Desjardins Insurance and my financial institution to withdraw the fixed amount indicated in **section E** from my account. I understand that this amount will be withdrawn on the date indicated in this section.

For all types of PAD agreements

Confirmation of the PAD agreement

I understand that this PAD agreement constitutes the confirmation required under section 16 of Payments Canada Rule H1. I also authorize Desjardins Insurance to reduce the 10-calendar day period that applies to providing this confirmation. This PAD agreement may therefore have been provided to me within fewer than 10 calendar days of when the first pre-authorized debit is due.

Waiver

I waive my right to receive:

- written notice before any changes are made to the amount or date of any PAD for the fixed amount indicated in section D;
- written notice of the amount and date of the next variable amount PAD before the due date of each of those PADs.

Change

I will advise Desjardins Insurance of any changes to this PAD agreement at least 10 business days prior to the next scheduled PAD.

Cancellation

• Cancellation of the PAD agreement by the payor

I may cancel this PAD agreement at any time by writing to Desjardins Insurance at least 20 calendar days prior to the next scheduled PAD.

I may obtain a cancellation form or more information on my right to cancel a PAD agreement by contacting my financial institution or visiting www.payments.ca.

• Cancellation of the PAD agreement by Desjardins Insurance

Desjardins Insurance may cancel this PAD agreement by sending a 30-calendar day notice to the payor.

However, Desjardins Insurance will not provide notice before cancelling this PAD agreement:

- if the financial institution refuses the PADs for any reason whatsoever;
- if the contract or contracts related to this agreement are cancelled or terminated.

The cancellation of this PAD agreement does not terminate the policyowner’s obligations under their contract or contracts. It only impacts the payment method.

Reimbursement

I have certain recourse rights if any debit does not comply with this agreement. For example, I have the right to receive reimbursement for any debit that is not authorized or is not consistent with this PAD agreement.
