FYI:

- Administrative questions should be directed to savings@dfs.ca.
- Information regarding the validity of the quotation is on page 4.
- More information on Responsible annuities can be found on [WEBI](#).
- The guarantee is always the **cash refund**¹ option.
- If **Joint-Life annuity** is chosen, the **reversibility will always be 100%**.
- For single-life annuities, if the annuitant dies before the start of the first payment, the single premium will be completely refunded. If joint-life, it will be at the last death between the annuitant and co-annuitant.

¹Cash refund:

An option that allows the beneficiary to receive, upon the death of the annuitant, the difference between the single premium paid by the policyholder when subscribing to their annuity and the total of the payments that the annuitant has received before his death.
